I would like to respectfully request that the Commission hold the public hearing on the above referenced matter in the county of my residence – Beaufort County, South Carolina. The outrageous size of the requested fee increases by Harbor Island Utilities, Inc. merits the input of as many Harbor Island residents as possible to the PSC. This can only be done if the hearing is readily accessible (which it is not if held in Columbia).

We would probably be able to accommodate the hearing in the owners' association community center room on Harbor Island.

Your consideration of this venue change is greatly appreciated, and I look forward to hearing from you.
