Dear Ms. Gough,

This is to acknowledge receipt of your Letter of Protest filed with the Public Service Commission of South Carolina. Your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2016-29-WS - Application of Harbor Island Utilities, Incorporated for Approval of a New Schedule of Rates and Charges for Water and Sewer Service on Harbor Island, Beaufort County

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

If we may be of further assistance to you, please do not hesitate to contact us.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of this company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We have owned (not rented or do I ever plan to) rent my condo. The current fees per month are more than the water fees at our primary residence in Beaufort, SC, by \$10.00. The house we live in 95% of the year, washing clothes, dishes, showering and watering outside is less costly by far than the condo where we use limited water. We have owned this condo for less than a year, so to say doubling the cost makes up for the last 10 years, or if you break it down it would only be a 10% increase for each the last 10 years is bogus. I did not own it during 9 of these years. If you want to increase by 10% a year for the next 10 years it wouldn't make be happy but would be much more understandable. Their lack of planning is poor planning.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
