Re: Quarterly Report of SCE&G Concerning Construction of V.C. Summer Nuclear Station Units 2 and 3

Dear Ms. Boyd:

Enclosed please find informational copies of South Carolina Electric & Gas Company’s (the “Company” or “SCE&G”) Quarterly Report (the “Report”) for the period ending September 30, 2014, related to the construction of V.C. Summer Nuclear Station Units 2 and 3 (the “Units”). This Report is being filed with the South Carolina Office of Regulatory Staff (“ORS”) pursuant to the Base Load Review Act, S.C. Code Ann. § 58-33-277 (Supp. 2013) and the provisions of Order No. 2009-104(A) of the Public Service Commission of South Carolina (the “Commission”).

Because this Report contains certain commercially sensitive information, SCE&G is filing both redacted (Public) and unredacted (Confidential) versions of this Report with the Commission and with ORS. For your convenience, we are providing you with ten (10) copies of the Public version of this Report. SCE&G is also providing one (1) copy of the Confidential version of this Report and is hereby petitioning the Commission to enter a confidentiality order protecting the commercially sensitive information contained therein from disclosure, as set forth below.

The Confidential version of this Report contains confidential information related to the pricing and pricing terms of the Engineering, Procurement and Construction Agreement (the “EPC Contract”) between SCE&G and a consortium consisting of Westinghouse Electric Company, LLC and Chicago Bridge & Iron, formerly the Shaw Group, (collectively, the “Contractor”). The EPC Contract contains confidentiality provisions that require SCE&G to protect proprietary information that the Contractor believes to constitute trade secrets and to be commercially sensitive. The Contractor has requested that SCE&G maintain the confidentiality of certain information contained in Appendix 2 and Appendix 3. This confidential information has been redacted from the Public Version of these appendices.

To this end, and in accordance with Commission Order No. 2005-226, dated May 6, 2005, in Docket No. 2005-83-A, enclosed with this letter are the following:

1. A true and correct copy of the Confidential version of the Report in a sealed envelope marked “CONFIDENTIAL.” The title page of the Confidential version of the Report is marked “CONFIDENTIAL VERSION” and each page of the Confidential version of the Report is marked “CONFIDENTIAL VERSION.”

2. Ten copies of a redacted Public version of the Report.

In the event that anyone should seek disclosure of the unredacted Confidential version of the Report, SCE&G respectfully requests that the Commission notify SCE&G of such request and provide it and the Contractor with an opportunity to obtain an order from this Commission or a court of competent jurisdiction protecting the Confidential version of this document from disclosure.

If you have any questions regarding these matters, please contact me.

Sincerely,

Belton T. Zeigler

Concentrating on public finance, governmental and utility representation.

Re: Quarterly Report of SCE&G Concerning Construction of V.C. Summer Nuclear Station
Units 2 and 3

Dear Mr. James:

Enclosed please find South Carolina Electric & Gas Company’s (the “Company” or “SCE&G”) Quarterly Report (the “Report”) for the period ending September 30, 2014, related to the construction of V.C. Summer Nuclear Station Units 2 and 3 (the “Units”). This Report is filed pursuant to the Base Load Review Act, S.C. Code Ann. § 58-33-277 (Supp. 2013) and the provisions of Order No. 2009-104(A) of the Public Service Commission of South Carolina (the “Commission”).

Because the Report contains certain commercially sensitive information, SCE&G is filing both redacted (Public) and unredacted (Confidential) versions of this Report. For your convenience, SCE&G is providing two (2) copies of the Public version of this Report. In addition, we are providing you with five (5) copies of the Confidential version of this Report. The Confidential version of this Report is being submitted to you pursuant to the Confidentiality Agreement entered into between ORS and SCE&G on July 21, 2009.

SCE&G submits that the information designated as confidential is entitled to protection from public disclosure under the S.C. Rules of Civil Procedure and is exempt from public disclosure under S.C. Code Ann. § 30-4-10, et seq. Accordingly, the Confidential version of this Report contains unredacted versions of Appendix 2 and Appendix 3 and is being provided to you pursuant to S.C. Code Ann. § 58-4-55(c) (Supp. 2013), such that ORS may fulfill its statutory obligation under S.C. Code Ann. § 58-33-277(B). SCE&G intends to file the Confidential version of this Report with the Commission and will seek an appropriate protective order.
SCE&G looks forward to working with the ORS in its review and audit of this information. If you have any questions regarding these matters, please advise.

Sincerely,

Belton T. Zeigler
