Dear Mr. Palm,

This is to acknowledge receipt of your emails to the Public Service Commission of South Carolina. Your emailed Comments have been placed in the Docket listed below and on the Commission’s Website at www.psc.sc.gov.

Docket No. 2016-223-E - Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling
Executive Assistant
803-896-5133

Subject:

Commissioner Randall,

If SCE&G asks the Public Service Commission to modify or even cancel the existing Summer Nuclear Station agreement please do not throw the rate payers under the bus. The shareholders have failed to exercise due diligence as has the SCE&G management team. The ratepayers are not at fault. Forget sunk costs. Kill this malformed project that has no chance of being successful.

Fred Palm
Commissioner Hall,

If SCE&G asks the Public Service Commission to modify or even cancel the existing Summer Nuclear Station agreement please do not throw the rate payers under the bus. The shareholders have failed to exercise due diligence as has the SCE&G management team. The ratepayers are not at fault. Forget sunk costs. Subject: Summer Nuclear Station

Commissioner Elam,

If SCE&G asks the Public Service Commission to modify or even cancel the existing Summer Nuclear Station agreement please do not throw the ratepayers under the bus. The shareholders have failed to exercise due diligence as has the SCE&G management team. The ratepayers are not at fault. Forget sunk costs. Kill this malformed project that has no chance of being successful.
