Subject: *PSC docket 2016-334-E*

To Whom It May Concern:

- 1. I have found missing Page 1/2 in my briefing that was faxed to your office. Please find it in this electronic email attachment.*
 - 2. Please do notice that BLRA is a prudent legal and logical act but cannot be applied to the new non-base load Jenkinsville nuclear plant (Units 2 and 3).*
- Sincerely,*

Joseph "Joe" Wojcicki.
