
David and Jocelyn,

Thanks for giving the opportunity to share thoughts on the proposed public hearing dates set forth in Order No. 2018-100-H. While we do not have comments on the dates and times presented, we ask that the Commission consider having public hearings in other SCE&G service territory areas consistent with SCE&G public hearings that have been held in the past. For instance, public hearings in Aiken and Charleston.

Thank you and best regards,

Shannon
