Questions

12

Results by Question

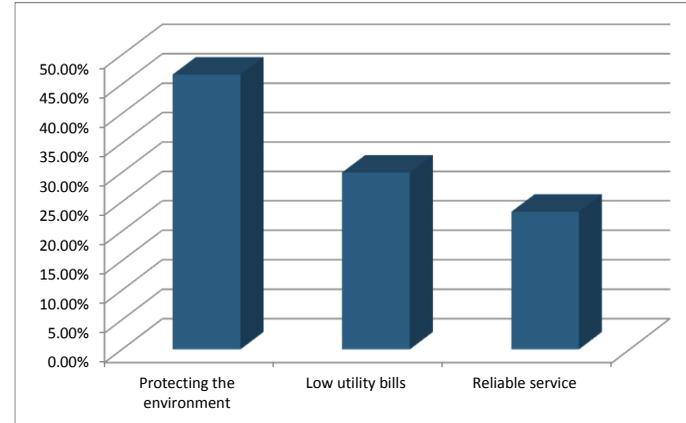

1. The EPA's Clean Power Plan is intended to reduce emissions of Carbon Dioxide (CO2) from power plants in the U.S. How important is reducing CO2 from power plants to you? (Multiple Choice)

Responses		
	Percent	Count
Not very important	17.86%	5
Somewhat important	21.43%	6
Very important	60.71%	17
Totals	100%	28

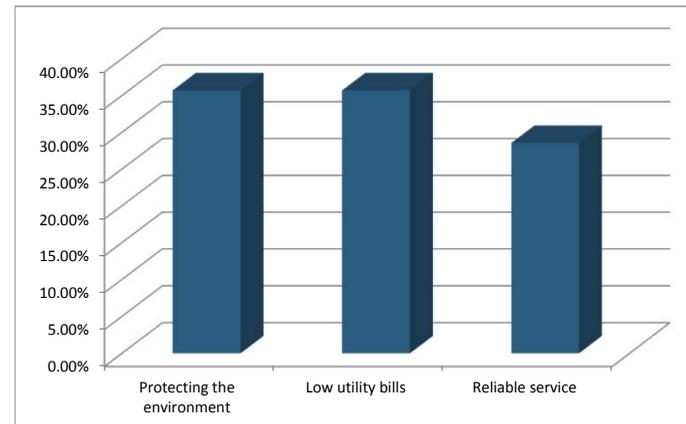

2. As the state's population and economic activity increase, it is likely that we will need new power generation. If you were in charge, what would be the most important factor to consider when thinking about meeting future needs? (Multiple Choice)

Responses		
	Percent	Count
Protecting the environment	46.67%	14
Low utility bills	30.00%	9
Reliable service	23.33%	7
Totals	100%	30

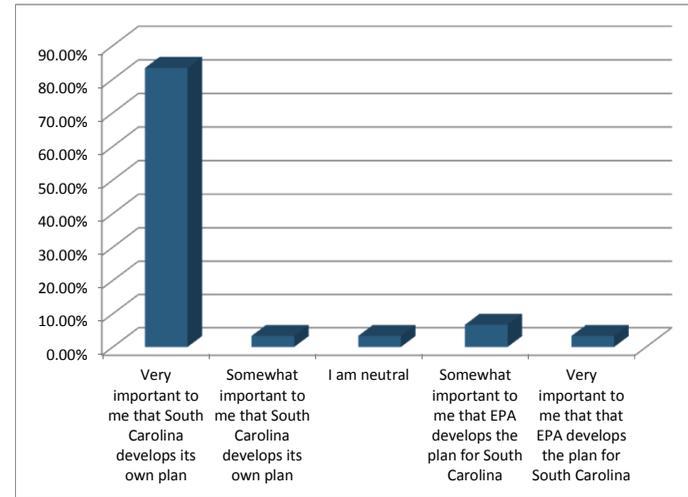

3. Given your answer to the previous question, what is the second most important consideration to you? (Multiple Choice)

Responses		
	Percent	Count
Protecting the environment	35.71%	10
Low utility bills	35.71%	10
Reliable service	28.57%	8
Totals	100%	28

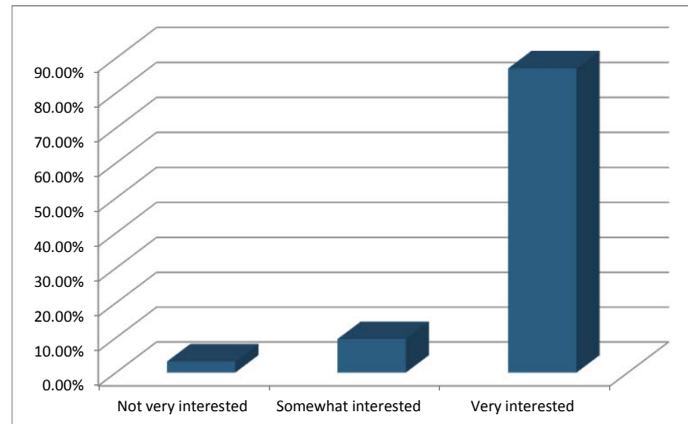

4. The EPA's Clean Power Plan requires South Carolina to submit a plan for meeting the EPA's goal for reducing CO2 from power plants in 2018. This plan should include actions that ensure the state will meet its final goal in 2030. If a state does not submit a plan, or does not have its plan approved by the EPA, the EPA will develop a plan for that state. How important is it to you that South Carolina develops its own plan, instead of the EPA developing the plan for our state? (Multiple Choice)

Responses		
	Percent	Count
South Carolina develops its own plan	83.33%	25
South Carolina develops its own plan	3.33%	1
I am neutral	3.33%	1
EPA develops the plan for South Carolina	6.67%	2
EPA develops the plan for South Carolina	3.33%	1
Totals	100%	30

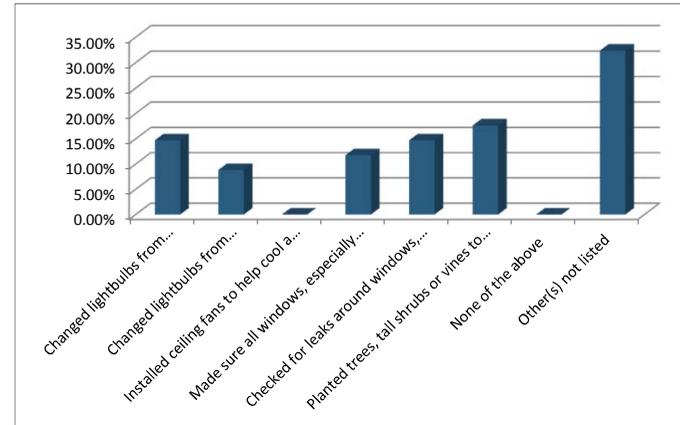

5. How interested are you in staying informed of the potential actions that may be required by the state of South Carolina to meet the EPA's Clean Power Plan 2030 goal for reducing CO2 from power plants? (Multiple Choice)

Responses		
	Percent	Count
Not very interested	3.23%	1
Somewhat interested	9.68%	3
Very interested	87.10%	27
Totals	100%	31

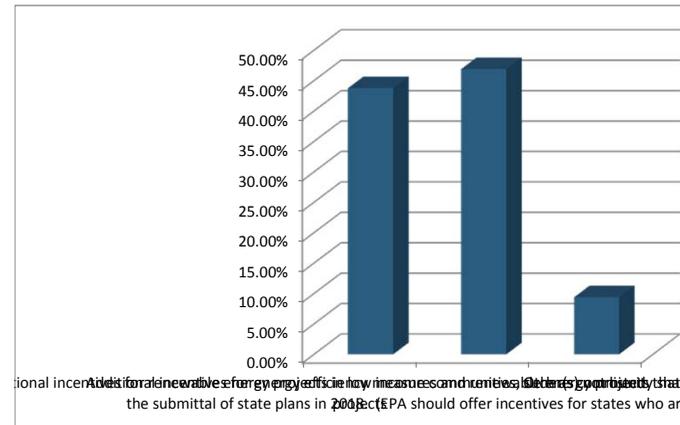

6. Which of the following no cost/low cost energy saving measures have you taken? (Multiple Choice)

Responses		
	Percent	Count
Changed light bulbs from incandescent (old fashioned) to CFL (swirly)	14.71%	5
Changed light bulbs from CFL to LED (all sorts of shapes)	8.82%	3
Installed ceiling fans to help cool a room	0.00%	0
Used shades to block sun on hot summer days	11.76%	4
Weatherstripped doors, sealed, or used weather stripping	14.71%	5
Painted the south/west side of the house	17.65%	6
None of the above	0.00%	0
Other(s) not listed	32.35%	11
Totals	100%	34

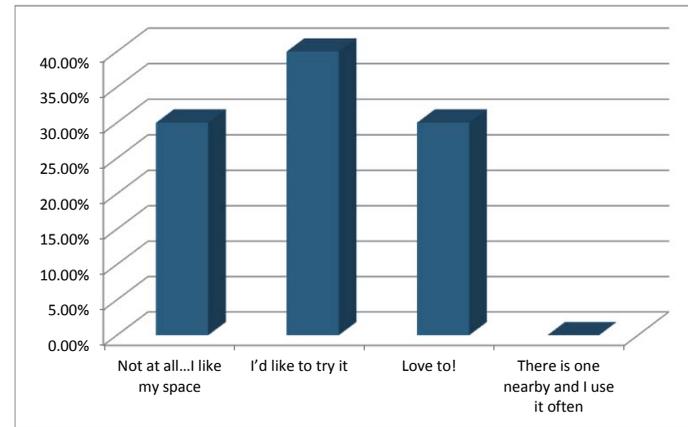

7. EPA is currently taking comments on several aspects of its Clean Energy Incentive Program (CEIP). What improvements or changes would you like to see included in this incentive program? (Multiple Choice)

Responses		
	Percent	Count
Expand to include community shared solar projects	43.75%	14
Include states who are taking action now	46.88%	15
Other(s) not listed	9.38%	3
Totals	100%	32

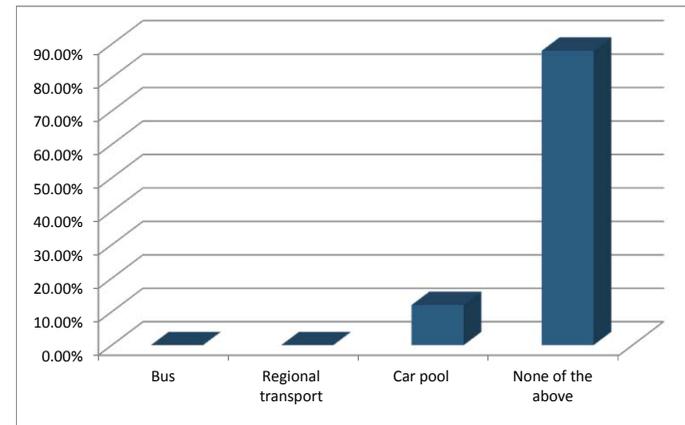

8. "Park and Ride" facilities are designated areas where commuters can park their cars and either carpool with others or take public transit the rest of the way to their destination. How likely would you be to use a Park and Ride facility if one were available in your area? (Multiple Choice)

Responses		
	Percent	Count
Not at all...I like my space	30.00%	9
I'd like to try it	40.00%	12
Love to!	30.00%	9
There is one nearby and I use it often	0.00%	0
Totals	100%	30

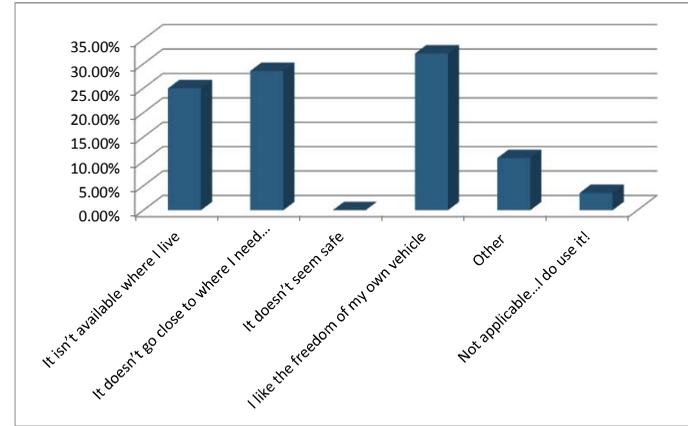

9. Which of the following forms of public transit/shared transit do you use? (Multiple Choice)

Responses		
	Percent	Count
Bus	0.00%	0
Regional transport	0.00%	0
Car pool	12.00%	3
None of the above	88.00%	22
Totals	100%	25

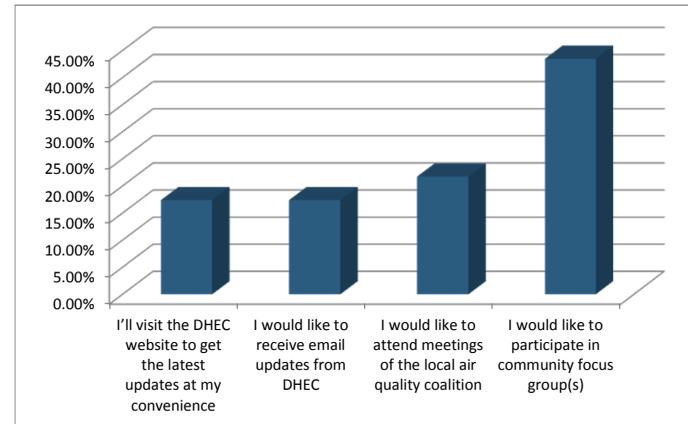

10. If you don't use public transit of any kind, or don't use it often, is it because... (Multiple Choice)

Responses		
	Percent	Count
It isn't available where I live	25.00%	7
It doesn't go close to where I need to go	28.57%	8
It doesn't seem safe	0.00%	0
I like the freedom of my own vehicle	32.14%	9
Other	10.71%	3
Not applicable...I do use it!	3.57%	1
Totals	100%	28

11. Please indicate your desired level of involvement in SC's energy future: (Multiple Choice)

Responses		
	Percent	Count
I'll visit the DHEC website to get the latest updates at my convenience	17.39%	4
I would like to receive email updates from DHEC	17.39%	4
I would like to attend meetings of the local air quality coalition	21.74%	5
I would like to participate in community focus group(s)	43.48%	10
Totals	100%	23

12. What term best describes you? (Multiple Choice)

Responses		
	Percent	Count
General public	13.33%	4
Regulatory consultant	13.33%	4
Small business owner	10.00%	3
Educator	3.33%	1
Student	0.00%	0
Health practitioner	3.33%	1
Conservation organization member	16.67%	5
Media	3.33%	1
Other	36.67%	11
Totals	100%	30
