Re:  Time Warner Cable Information Services’ Application to Amend its Certification to  
include Sandhill Telephone Cooperative’s Service Area  
Docket No. 2011-52-C

Dear Ms. Boyd:

In response to Sandhill Telephone Cooperative’s petition for clarification or  
reconsideration, Time Warner Cable Information Services (South Carolina), LLC (“Time Warner  
Cable”) does not object to Sandhill’s request that the Commission modify the order to indicate  
that the authority granted to Time Warner in Sandhill’s service area is the same authority that  
was granted by the Commission in Order No. 2009-356. In regard to the request for clarification  
on the sentence “Sandhill draws subsidy funds from the South Carolina Universal Service Fund  
to protect it from competition, and the current guidelines of the fund allow it to seek additional  
funding,” we disagree with Sandhill’s characterization that this statement is inaccurate and  
presumptuous. However, we do not object to the Commission’s deletion or revision of the  
statement.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
