Docket No. 2017-370-E

Dear Ms. Boyd:

I am writing to provide the Public Service Commission of South Carolina ("Commission") with an update on the efforts of Dominion Energy, Inc., South Carolina Electric & Gas Company (together, "Dominion Energy") and the South Carolina Office of Regulatory Staff ("ORS") concerning their collaboration to develop a Code of Conduct in accordance with Commission Order No. 2018-804. ORS has reviewed the proposed Code of Conduct provided by Dominion Energy and a meeting was scheduled for April 10, 2019, to discuss this matter; however, Dominion Energy had to cancel this meeting because of a natural gas incident that occurred in Durham, North Carolina on April 10, 2019. Additionally, during the week of April 15, 2019, ORS was involved in a matter pending before the Commission and therefore could

not meet with Dominion Energy. I am pleased, however, to report that Dominion Energy and ORS have rescheduled their meeting for April 26, 2019.

With its April 10 meeting now rescheduled for April 26, Dominion Energy and ORS will require additional time to complete its work on the forthcoming Code of Conduct. Therefore, Dominion Energy respectfully requests that the Commission issue an order granting it a sixty (60) day extension of time until July 1, 2019, within which to file its Code of Conduct for approval. Dominion Energy has discussed this matter with ORS and has been authorized to inform the Commission that ORS does not object to this request.

Thank you for your consideration of this matter. If you have any questions or need additional information, please do not hesitate to contact us.

Very truly yours,

K. Chad Burgess
