The South Carolina Coastal Conservation League ("CCL") hereby petitions the Public Service Commission of South Carolina ("Commission") to intervene in the above-captioned docket pursuant to R. 103-825 of the Commission’s rules. In support of this petition, Petitioner states as follows:

1. On May 26, 2016, South Carolina Electric & Gas Company ("SCE&G") filed a petition for updates and revisions to the cost estimate and the construction schedule for the new nuclear units under construction at SCE&G’s V.C. Summer Nuclear Station.

2. CCL is a nonprofit corporation organized under the laws of the State of South Carolina. The principal address of CCL is P.O. Box 1765, Charleston, South Carolina 29402. CCL promotes the implementation of comprehensive local, state, and federal energy policies related to renewable energy, energy efficiency, and climate change. CCL has members in South Carolina who receive electricity service from SCE&G and are subject to the impacts of SCE&G’s resource decisions.
3. CCL has participated in numerous prior proceedings related to, among other thing, SCE&G’s resource planning and energy efficiency programs. CCL seeks to intervene in this proceeding to ensure that its members’ interests in promoting clean energy resources are represented.

4. CCL has not yet formulated its position in this proceeding, and plans to present its position in prefiled testimony.

5. CCL is represented by the following counsel in this proceeding:

   J. Blanding Holman, IV
   Southern Environmental Law Center
   463 King Street, Suite B
   Charleston, SC 29403
   Telephone: (843) 720-5270
   Fax: (843) 414-7039
   bholman@selcsc.org

WHEREFORE, CCL prays that it be allowed to intervene in this matter.

Respectfully submitted this 15th day of July, 2016.
