Dear Mr. Butler and Counsel,

I hope that everyone is staying well. This email is to advise the Commission and parties that the South Carolina Coastal Conservation League and Southern Alliance for Clean Energy do not plan to file a formal response to Dominion's motion, and do not object to the motion, subject to the same caveats in the letter filed by Jeff Nelson on behalf of ORS yesterday.

Thank you for the opportunity to respond, and please let me know if you have any questions.

Best regards,

Gudrun Thompson | Southern Environmental Law Center | 919-967-1450

To the Parties:

The Commission is in receipt of a letter in the above-captioned Dockets dated April 1, 2020 in which Dominion Energy requests that the Commission issue an order extend the January 2021 date for new rates to take effect by sixty (60) days until March 8, 2021, which is the date of the Company’s first billing cycle of March 2021. The January 2021 date was mentioned in a prior Commission Order in these Dockets. This request is being construed as a Motion. Therefore, the other parties to these Dockets have until Monday April 13, 2020 to file responses to this Motion.

Thank you for your consideration in this matter.

David Butler
