RE: Report for the month ended December 31, 2010 on the Electric Pilot Weather Normalization Adjustment Mechanism of South Carolina Electric & Gas Company
Docket No. 2009-489-E

Dear Ms. Boyd:

By Order No. 2010-471, issued in Docket Number 2009-489-E, the Public Service Commission of South Carolina ("Commission") approved a twelve-month pilot Weather Normalization Adjustment ("WNA") mechanism for residential and commercial customers of South Carolina Electric & Gas Company ("SCE&G") who receive electric service under rate schedules 1, 6, 8, and 9. In approving the WNA, the Commission instructed SCE&G, among other things, to provide monthly reports to the Commission and the South Carolina Office of Regulatory Staff ("ORS") showing the current and cumulative effect of the WNA.

In compliance with Order No. 2010-471, SCE&G hereby notifies the Commission and ORS that during the month of December 2010, SCE&G customers who received electric service under rate schedules 1, 6, 8, and 9 received credits on their monthly bill statements totaling approximately $5.2 million as a result of the WNA mechanism. The following table shows the reduction that customers realized in December 2010 by rate schedule as well as the cumulative impacts of the WNA mechanism since implementation in August 2010.
