IN RE: Application of Mako Movers LLC for a ) ORDER GRANTING  
Class E (Household Goods) Certificate of ) CLASS E (HOUSEHOLD  
Public Convenience and Necessity for ) GOODS) CERTIFICATE  
Operation of Motor Vehicle Carrier )

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Application of Mako Movers LLC (“Applicant”) for a Class E (Household Goods) Certificate of Public Convenience and Necessity. The Applicant seeks statewide authority to move household goods in South Carolina. Notice of this matter was timely published pursuant to 10 S.C. Code Ann. Regs. 103-817(C)(3)(a). No parties intervened, and a hearing on the Application was held on September 9, 2020.

The parties at the hearing included the Applicant, represented by Charles L.A. Terreni, Esquire, and the Office of Regulatory Staff (“ORS”), represented by Jenny Pittman, Esquire. The Applicant presented the testimony of Jillian Oleen, its president.

In addition, Applicant offered the shipper witness affidavit of Lynn Snyder, of Mt. Pleasant, South Carolina, who stated the need for Applicant’s services in South Carolina.

ORS did not present testimony, but submitted a letter to the Commission on September 8, 2020, stating that “ORS is of the opinion that the Applicant will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of 10 S.C. Code Ann. Regs. 103-133 (2012).”

For the Applicant, Jilian Oleen testified about the Applicant's knowledge and experience in the moving industry and stated that she was aware of and intended to comply with the Commission's regulations concerning household goods movers. She testified about the liability and cargo insurance obtained by the Applicant, as well as the financial condition of the Applicant. Additionally, Lynn Snyder of Mt. Pleasant, South Carolina testified regarding the need for Applicant's services throughout the state. As demonstrated by the Application, Jilian Oleen's direct testimony, and Lynn Snyder's shipper witness testimony via affidavit, the Applicant intends to operate the existing Charleston County location currently owned and operated by Jilian Oleen.

The Commission finds the Application to be in order. Additionally, we conclude that the Applicant has demonstrated that it is fit, willing, and able to operate as a household goods mover pursuant to S.C. Code Ann. § 58-23-330 and 10 S.C. Code Ann. Regs. 103-133. Furthermore, we find, based on the circumstances presented by the Application, and particularly that the Applicant intends to continue the operations of the Charleston County location of Charleston, that the public convenience and necessity will continue to be served. Therefore, the Application of Mako Movers LLC should be granted.

IT IS THEREFORE ORDERED:

1. The Application of Mako Movers LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity is approved for the Applicant to transport household goods throughout South Carolina.

5. Prior to compliance with the above-referenced requirements and receipt of a Certificate, the motor carrier services authorized by this Order shall not be provided.

6. Failure of the Applicant to either (1) complete the certification process by complying with the Office of Regulatory Staff requirements of causing to be filed with the Commission proof of appropriate insurance and an acceptable safety rating within ninety (90) days this Order or (2) to request and obtain from the Commission additional time to comply with the requirements stated above, will cause this Order granting the Application to be null and void, and the Application herein shall be dismissed without prejudice. In this event, no further order of this Commission is necessary.

7. Pursuant to the two-month reporting requirement contained in Order No. 2014-443 (May 21, 2014), the ORS is requested to furnish the name and docket number of the Applicant to the Commission, should the Applicant fail to meet the requirements of the present Order.
