This matter comes before the Public Service Commission of South Carolina ("Commission") for consideration of a new Complaint Procedure, on which the Commission Staff collaborated with the Commission's Advisory Committee to create and propose. The new Complaint Procedure is described in the two forms attached to this Order. These are denominated "Complaint Form Instructions and Procedure" and "Complaint Form," and the contents of the two forms are included in this Order as if repeated verbatim.

We have studied this matter, and we hold that the new Complaint Procedure will expedite the handling of complaints before this Commission, and, therefore, will be beneficial to both Complainants and to the utility companies. We therefore adopt the new Complaint Procedure as proposed, but hold that it is subject to modification by this Commission, if deemed appropriate to do so after further study.
This Order shall remain in full force and effect until further order of the Commission.
