

Further, the Applicant has requested that the Commission waive the placarding requirements contained in the Commission's regulations. The Applicant's justification for its waiver request is that the charter vehicle is a vintage car.

In the recent past, this Commission has considered such waiver requests on a case-by-case basis. The Commission grants the Applicant's request. Furthermore, the Commission notes that all Class C Charter vehicles are identifiable as such, even in the absence of placarding, by way of their limousine license plates and window stickers. Accordingly, in addition to granting the request for waiver of placarding in the instant Application, the Commission would favorably entertain future waiver requests by Class C Charter Applicants and certificate holders.

IT IS THEREFORE ORDERED:

1. That the Application of Dream Classic Rentals LLC for a Class C Charter Certificate of Public Convenience and Necessity is hereby approved.
2. That the Applicant cause to be filed with the Office of Regulatory Staff (ORS) the proper license fees, proof of liability insurance (i.e. "Form E"), and other information required by S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and by 10 S.C. Code Ann. Regs. 103-100 through 103-241 (Supp. 2015) of the Commission's Rules and Regulations for Motor Carriers, and 2 S.C. Code Ann. Regs. 38-400 through 38-503 (Supp. 2015) of the Department of Public Safety's Rules and Regulations for Motor Carriers, within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission.

3. That, upon compliance with the filing of information as required by S.C. Code Ann. Section 58-23-10, et seq. (1976), as amended, and the applicable Regulations for Motor Carriers, S.C. Code Ann. Regs. Vol. 10, as amended, a Certificate shall be issued by the ORS to the Applicant authorizing the motor carrier services granted herein.

4. That, prior to compliance with the requirements regarding the filing of certain information with the ORS and receipt of a Certificate, the motor carrier services authorized by this Order may not be provided.

5. That failure of the Applicant to either (1) complete the certification process by complying with the requirements of filing with the ORS proof of appropriate insurance and the payment of license fees and such other information required by law within ninety (90) days of the date of this Order or (2) request and obtain from the Commission additional time to comply with the requirements stated above, this Order granting the Application shall be deemed null and void and the Application herein shall be dismissed without prejudice. In this event, no further order of this Commission is necessary.

6. That, pursuant to the two-month reporting requirement contained in Order No. 2014-443 (May 21, 2014), the ORS is requested to furnish the name and docket numbers of the Applicant to the Commission, should the Applicant fail to meet the requirements of the present Order. After such notification, the Docket shall be closed.

7. That the Applicant's request for a waiver of the Commission's placarding requirement shall be granted.

8. That this Order shall remain in full force and effect until further order of the Commission.
