THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2016-330-E - Dick Lee Goold, Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Petitioner - Staff Presents for Commission Consideration the Motion for Reconsideration Filed by Dick Lee Goold.

COMMISSION ACTION:

Dick Goold filed a complaint with the Commission on September 4, 2016, that was dismissed by Order No. 2016-752 on October 19, 2016 for failure to state a claim upon which relief can be granted. Piecing the various items of correspondence together that Mr. Goold has submitted to the Commission, it seems he is complaining that wiring to the place he resides is allegedly installed in violation of the National Electrical Safety Code (NESC) and therefore endangering him and violating his rights in various respects. However, a sworn affidavit from Duke states that an inspection was performed and all the wiring associated with the residence is in compliance with all required standards. Further, Mr. Goold, the Complainant, is not the customer of record at the address listed on the complaint.

Although Mr. Goold has submitted further information – which in the light most favorable to the Complainant we have deemed as a request for reconsideration – this additional information contains no allegations that cures the deficiencies of his original filings. Further, the Complainant has made an attempted amendment to his original claim, now seeking a “billion US dollars,” which of course this Commission does not have the jurisdiction to award. I move that we deny reconsideration.

Since this is our final ruling in the complaint, I also move that we instruct the Commission Staff to close this Docket. If Mr. Goold wishes to pursue further relief, he must do so in a Court of Law, pursuant to South Carolina statutes.
