Subject: FTC Diversified, LLC - Docket 1998-127-C/2007-336-C

David,
I hope you are doing well and again I am calling on you for some help. On July 18, 2012, the Commission issued its directive at my request to note a name change of FTC Diversified Services, **Inc.** to FTC Diversified Services, **LLC**. The concern is that the directive referred to FTC Diversified Services, Inc. as formerly FTC Communications, Inc. which is incorrect and we fear may confuse matters in the regulatory arena and possibly operations as well.

FTC Diversified Services, Inc. was a wholly owned subsidiary of FTCManagement, Inc.(a holding company and wholly owned subsidiary of FTC Cooperative, Inc.). We converted it effective July 1, 2012 to an LLC of which FTC Cooperative, Inc. is the sole member, eliminating the interest of the holding company. FTC Diversified Services, LLC continues without any change in operations or control. Is it possible to have the directive amended to delete the paranthetical "(f/k/a FTC Communications, Inc)" ?
